President's Message

I am privileged to serve another year as President of Youth Tennis San Diego, an organization that accomplishes so much and makes a difference in the lives of so many children. Our commitment to our mission has never been stronger—to promote the educational, physical, and social development of all youth through organized tennis and educational activities. After School Tennis has now reached more than 120 schools in the county, providing tennis instruction to over 10,000 children.

Our community outreach programs are thriving, and our education programs have been expanded, including afternoon programs that provide on-court instruction, homework assistance and tutoring. I am pleased to announce the new Booth Education Center was opened in January.

In 2013 we will once again host the Girls' 16s and 18s National Championships, an event which has been a tremendous success the past few years. The tournament draw is approximately 400 players from across the United States.

None of what we do would be possible without the dedication and commitment of our Board members, supporters, volunteers and staff members. I am truly grateful for everyone's contributions that make our organization so wonderful. I look forward to a successful and prosperous 2013.

Jonathan Atun

AST **YTSD After School Tennis**

Youth Tennis San Diego's (YTSD) After School Tennis (AST) provides a safe and secure school-based program to encourage children to be physically active. Twenty four years after it began, the program continues to grow and excite both children and their parents.

From Oceanside to San Ysidro, this outreach program involves hundreds of children. YTSD provides racquets, balls and insurance. Given the benefits of AST, it is no wonder that 120 schools and Park and Recreation sites throughout San Diego County are partnering with YTSD to provide the program to more than 10,000 students.

To kick off the season, YTSD holds a free half-day tennis camp for all participants at the Barnes Center. At the end of the school year the AST Field Day is always a huge success.

Children rotate from court to court playing a variety of tennis games for prizes. Lunch is provided and the children are given a chance to shop for clothes and items donated by our many sponsors.

The program is available to all children, regardless of economic background. More than 90% of the students receive financial assistance which is made possible by the sponsors of the program. YTSD has planned a pathway of development for any child who wants to proceed beyond AST.

Programs

at the Barnes Tennis Center

The Barnes Tennis Center is home to a community where the well-being of every child comes first! We offer programs, activities and interaction that support the mental and physical development of every child. This community of kids, parents, coaches and mentors are dedicated to improvement and achievement in academics and in tennis.

Our facility offers something for everyone. In addition to 25 courts, hard and clay, all lit for evening play, we now have three dedicated 36' 10-and-Under Tennis courts, and six 60' 10-and-Under Tennis courts for sanctioned tournament play and to help our Rising Stars program participants develop more completely. We also offer a computer science room, a library and study room, player lounge, basketball court, hitting wall, volleyball/beach-tennis courts, and our new Booth Education Center.

Barnes Cup Tournaments—Leading the Way with “10-and-Under Tennis”

Barnes Cup Tournaments are designed for the first-time tournament rookies, more experienced novices, and intermediate players. By 2012, the Barnes Cup had already been implementing the new 10-and-Under Tennis rules for several years. Barnes Cup Tournaments provide a low-stress competitive event, and include assistance and advice on sportsmanship and tournament etiquette.

The Rising Stars Program

Implementing 10-and-Under Tennis tools and methods, the Rising Stars Programs provide a wonderful introduction to tennis, with a “rally and play” ap-

proach to learning the basics. Kids (ages 4-13) learn the fundamentals of ground strokes, serves, volleys and overhands, while having a great time doing it.

Summer Tennis Camps

Our most exciting time of the year is Summer at the Barnes Tennis Center. From June to August the Barnes Center is filled with kids of all ages and abilities.

The *Competitive Camp* provides a week-long intensive and fun program for dedicated kids who really want to improve their game.

The *Tennis and Sports Camp* for beginner and intermediate players provides fundamentals instruction, games, and match play for kids who want to learn and have fun in a camp environment.

USTA Junior Team Tennis

At the Barnes Center, we've grown further with Junior Team Tennis (JTT), fielding more teams than ever in our 2012 spring and fall seasons. JTT gives kids a chance to compete on a team, with and against their friends and peers. On Sundays these nine-week seasons provide coaching and support as kids develop their skills in team competition. With uniform jerseys, team meetings and pizza parties, these are experiences that kids love.

The Barnes Tennis Center Academy

BTA-The Barnes Tennis Academy

The Barnes Tennis Academy has been established as one of the finest tennis academies in Southern California. Our year-round Academy provides a meeting place where elite juniors mix with Open level juniors who hold strong Southern Cal and national rankings. Likewise, our novice/satellite level competitors, and Varsity/JV level players each find a group where they fit perfectly. We make sure that juniors at *every* level find a home at the BTA.

4th Annual Barnes Bash

Hit-A-Thon for Kids

The Barnes Bash on May 15th engaged nearly 300 local juniors to learn about exercise, healthy choices, and community spirit. This event offered a unique opportunity for the kids to help raise funds for all Youth Tennis San Diego (YTSD) Programs.

Proceeds from pledges, corporate sponsorships and donations benefit YTSD for programs, equipment, tournament sponsorships, and financial assistance.

All junior participants received a commemorative t-shirt. Medals were presented to top In-A-Row individuals in each division. The top In-A-Row duo achieved 740 rallies in a row, which means 370 hits each!

Grand Opening

Booth Education Center

With their remarkable love for children and their strong belief that every child should have a chance to be a champion in life, Lee and Steve Booth have nurtured the Youth Tennis San Diego mission by donating \$2 million to provide the basis for funding for the new Education Center.

On November 3rd fifty YTSD donors and friends gathered to celebrate the opening of the new Booth Education Center. San Diego City Councilman Kevin Faulconer was present and spoke of the great need for enrichment of children in the City and thanked The Booths and all the donors for their

generosity. Councilman Faulconer was instrumental in the planning and pre-construction communication with the City and the State.

Lee shared with everyone that her involvement with YTSD has been a special time in her life. The building is beautiful as well as functional. It was magical when the new children's playground, donated by The Arnold and Esther Belinsky Family, was used for the first time—the kids loved it. Another addition to the Education Center are two courts which have been lined for 10 and Under Tennis and set aside specifically for our younger players. These "Kids Courts" were funded by the Larry Willens Family. A special room for enrichment in Science, Math, Art and Music has been funded by the County of San Diego through Supervisor Ron Roberts.

YTSD thanks all the donors who have, over the years, funded and encouraged the activities and programs of Youth Tennis and the Barnes Tennis Center. Come visit our new facility.

Youth Tennis San Diego Foundation

The mission of the Youth Tennis San Diego (YTSD) Foundation is to develop a long term endowment and support the programs of YTSD and the Barnes Tennis Center. The Board is comprised of outstanding community members dedicated to this mission who have a strong concern for children. The Foundation Board works year long to create sources of funding. Some of these funds are given to YTSD each year for operations and programming and a portion of the funds are invested for long term growth.

The 2013 Youth Tennis San Diego Foundation Board of Directors is led by Chairman Wendy McWethy, Secretary Katherine Willette, and Treasurer Rick Evans. Board members are: Larry Belinsky, Robert Bowden, Raquel Giscafne, Ruth Jorgensen, Angel Lopez, Marty Molden, Betty Peabody, Richard Phelps, and Larry Willens. They are assisted in their endeavors by Executive Director Linn Walker.

2012-2013 Junior Player Council

The 2012-2013 Junior Player Council (JPC) is once again up to the task of contributing to the San Diego tennis community, and beyond. The primary project for each JPC is planning and hosting the Annual Youth Tennis San Diego Junior Tennis Awards Banquet. This includes preparing and presenting achievement, sportsmanship and community service awards to the best and brightest of our San Diego junior tennis community. Also on their worthy to-do list is contributing to YTSD programs including volunteer support of our quarterly After-School Tennis special events. Additionally, the JPC chooses other community service projects; 2012 included wrapping gifts for the kids at The Children's Hospital in San Diego.

This year's Council Members include Eric Klein, Steven Chen, Ibrahim Akbar, Djori Berger-Weekes, Lindsay Brown, Emily Kuo, Chloe Kuo, Otilia Popa, Peter Trhac, and Nicole Yermanos.

LEFT TO RIGHT FRONT ROW: Chloe Kuo, Lindsay Brown, Emily Kuo, Otilia Popa and Gigi Kuo, JPC Adult Advisor

LEFT TO RIGHT BACK ROW: Djori Berger-Weekes, Martin Marin, Peter Trhac, and Tom O'Brien, Junior Program Manager
